IT'S THAT TIME OF THE YEAR AGAIN...

BY: LOUISA BAI

The days are getting shorter. The weather is getting colder. And probably the most telltale sign is that commercials are popping up everywhere advertising back-to-school material.

School is the place where you get homework, tests, and exams. Some students enjoy these tasks, but most of the ones I know do not exactly see eye-to-eye with them.

Furthermore, school is where we see our friends and classmates the most. Those are the people who will share your failures, successes, pains, and happiness for about ten months of the year.

So everyone, please pursue your passions, set your goals, achieve them, and summer will be here again in no time.

REWIND! RECAP OF SUMMER CAREERS AND RESUME WORKSHOP!

On July the 9th, we hosted our second Careers and Resume workshop. The afternoon began with an introduction on CCCYC, then followed by workshops on: resume writing, job search, cover letter writing, and interviews.

Check out CCCYC's newest blog post for the full recap and pictures!

YOUR HELP IS NEEDED IN AFRICA

The Horn of Africa – Somalia, Djibouti, Eritrea, Kenya, and Ethiopia – has been devastated by severe drought since the beginning of last year, with Somalia being the hardest hit.

To raise desperately needed funds to help feed and care for starving children and their families through UNICEF, individuals and community groups across the Greater Toronto Area including CCC are committing to a 24-hour fast.

Sign up today! Fasting begins Thursday, September 15th at 8pm and will end Friday, September 16th at 8pm which will mark the opening to the celebration party.

Please visit www.unicef.ca/thefamineandtheblessing for more information. For questions, please email thefamineandtheblessing@yahoo.ca or call Carson at 416.399.7863.
